Who we are

Who is providing this notice?

Apple Federal Credit Union

What we do

How does Apple FCU protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does Apple FCU collect my personal information?

We collect your personal information, for example, when you

- Open an account or Apply for a Loan
- Request a service or Use Online Banking
- Send information via email or regular mail

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.

What happens when I limit sharing for an account I hold jointly with someone else?

Your choices will apply to every individual on your account.
