

Apple Federal Credit Union MyRewards Visa Program

Program Rules, Terms and Conditions

The MyRewards program is a rewards program (the “Program”) that allows you to earn points (the “Points”), as described in Section 2 below, in connection with your MyRewards Visa card issued by Apple Federal Credit Union. In these Terms and Conditions, “you” and “your” mean the Cardholder(s). “We”, “our”, “ours”, and “us” mean Apple Federal Credit Union (the issuer of your credit card) or its assignees. “Reward Center” or “CURewards” means the company we engage to provide administrative services for the Program, currently PSCU. Other capitalized terms not specifically defined have the same meaning as in your Apple Federal Credit Union MyRewards Visa Cardholder Agreement (“Cardholder Agreement”). The Program is not available to the extent it is prohibited by federal, state, or local law.

- 1) **Eligibility.** You may participate in the Program while your Account is open and in good standing in accordance with your Cardholder Agreement. You may not be eligible to earn or redeem Points if one or more of your Accounts is closed, past due, over-the-limit, or otherwise in default as outlined in your Cardholder Agreement.
- 2) **Earning Points.** Every dollar in qualifying purchases, net of returns, you charge to your credit card account eligible in this Rewards Program earns one point as provided for in these Rules. No points are earned for finance charges, fees, balance transfers, cash advances, convenience checks, foreign transaction currency conversion charges or insurance charges posted to your account. Charges or transactions may be added to, or removed from, the above lists of eligible charges and transactions from time to time at the sole discretion of the Program.

You will earn three (3) Points per \$1 for Net New Gasoline Purchases you make with the card, when paid for at the pump (based on Visa Merchant Category Codes 5541, 5542 and 9752). You will earn two (2) Points per \$1 for Net New Supermarket Purchases you make with the card (based on Visa Merchant Category Codes 5411 and 9751). You will earn one (1) Point per \$1 for all other Net New Purchases that are made.

“Net New Purchases” mean purchases of goods or services you or any authorized user on your Account makes, minus any purchase returns, refunds or credit adjustment.

- 3) **Statement of Points.** Points for this Program being to accumulate with purchases you make beginning on the first day of the billing cycle in which your Program begins and ending on the last day of the last billing cycle of the announced duration of their Program. Points earned from Net New Purchases and point adjustments made between billing cycles will be deemed as earned after being posted to your next monthly card statement. Your billing statement will show the Points earned during the billing cycle and your total Points balance as of the end of your billing cycle.
- 4) **Expiration and/or Cancellation.** Points will expire five (5) years from the end of the year in which they were earned on a first-earned, first-spent basis unless you or we close your Account before then. For example: If you earn 1,000 in June 2012, these points will expire December 31, 2016. It is important to note that the year in which the points were earned is counted as the first year for expiration purposes. There is no maximum limit on the amount of points that can be earned. The amount of rewards in each year earned and notice of rewards to be expired will be displayed on each statement in October, November and December. If you close your Account or if we close it because you default on your Agreement, your Points will expire immediately. We may cancel your participation in the Program if you commit fraud or abuse your privileges in connection with the Program or the Account. If we or you cancel your participation, your Points will expire immediately.
- 5) **Redeeming Points.** Rewards are available for redemption by Program members who are in good standing and have the necessary number of Points required when placing an order. You may not be eligible to redeem Points if your Account is past due. Points will be deducted from your Account at the time of order. Some restrictions apply to
